

BEING LOYAL

THATS HOW WE LIVE UNITED

The United Way of Elkhart County is designed to recognize long-time donors to the United Way, in any city. Donors who have given to the United Way for a number of years, regardless of the amount, not only show their belief in our mission but become the backbone upon which United Way exists.

These donors have shown their commitment to creating lasting change in their communities with their continued investments.

Donors are recognized at four levels:

-  **A Decade of Giving- 10 years**
-  **A Quarter of a Century of Giving- 25 years**
-  **A Half of a Century of Giving- 50 years**
-  **A Lifetime of Giving- 65 years or more**

There are perks to being a Loyal Contributor member. Members receive personal thank you's from our staff, luncheon invitations, special event invitations, updates and much more.

Signing up is easy. Simply mark the appropriate box on the pledge card (right under our logo). Please let your employees know about this program.
